## The Spring Has Finally Come!

Here at Next Level we eat, drink, and breathe lacrosse all year long, but when it comes to our youth programs, the spring season is special. Our boys teams are two weeks into league games in the Greater Howard Club Lacrosse Conference (GHCLC) with a winning record of 9-6. Our girls kicked off their seasons in the Metro Girls Lacrosse League (MGLL) going undefeated in Week 1!

While our travel teams are winning games against the best competition in the country, our indoor clinics and Little & Big Spartans programs are setting records with the highest player enrollment for both in Next Level history!

Finally, a huge shoutout to our high school players who are tearing up the local JV and Varsity competition. Go Spartans!

## What's the Latest?

Spring seasons have started for the Next Level travel teams. The Boys teams are participating in the Greater Howard Club Lacrosse Conference, and the Girls teams are in the Metro Girls Lacrosse League.

Our Little & Big Spartans Programs now span grades K-6th for both boys and girls for the first time ever. Numbers are looking great for both programs as the seven-week season got under way April 2!

The Next Level 2021/2022 Blue team were special guests at the Georgetown v. Temple game April 1 where they scrimmaged on the field at halftime!

3-Time All-American Duke attackman, Tewaaron Trophy recipient, and current Rochester Rattler Ned Crotty stopped by the indoor facility to give our guys an awesome clinic on shooting.

The DMV Premier Lacrosse Leagues hosted its first youth and high school box leagues and pre-season spring tournament.

Once again cold temps and the possibility of snow threatened the March Kickoff Invitational. However, with over 60 teams participating, the pre-spring tournament was a huge success. We send a big thank you to programs near and far for their participation and hope to see you all again soon as we continue to put on the area's best leagues and tournaments!

## Spartan Highlights

Next Level Lacrosse continues to make splashes in the lacrosse world. Some highlights from the last few months include:

- Record spring clinic and training program numbers

- New 2021/2022 Red girls teams added for this spring
- Next Level alum Jordan Cooper making [headlines](#) at Union
- 2018 lefty attackman Sean Connelly commits to Arcadia
- Isaac Aronson (NL 2020 Blue, Attack) among the leaders at Bullis in goals halfway through varsity season
- Our girls teams rocked the Holton-Arms Panther Play Day in March
- Evan Schwartz (NL 2020 Blue, Attack) overcomes obstacles to have a great freshman year on varsity at Landon ([article](#))
- Next Level Boys 2022 Red, 2023 & 2024 begin their seasons undefeated at 2-0

## Join Us This Summer!

### Summer Registration is Now Open!

Next Level offers a wide range of summer programs designed for lacrosse players of all ages and skill levels.

We hope your son or daughter will join us at one of the following exciting options:

- Four-Day Weekly Indoor Clinics ([BOYS](#), [GIRLS](#))
- Outdoor week-long camps at Landon ([BOYS](#), [GIRLS](#))
- Outdoor elite camps at Washington Episcopal School  
[Registration will open by June 1]
