## Why Next Level in 2017-2018?

As the 2016-2017 lacrosse year draws to a close, we begin to reflect on the year that's passed and all the memories that came with it: new ownership, new colors, new partnerships, and a lot of success on and off the lacrosse field.

It was a great year and we are grateful for everyone who made it possible, from our parents and players to our phenomenal coaching staff.

Now we turn our attention to the 2017-2018 season and ask a simple question:

### Why should you consider Next Level Lacrosse for next year?

- We genuinely care first and foremost about your son or daughter so all of our programs are focussed on **player development** and **character formation**
- Our boys and girls coaches are terrific teachers and role models
- Our year round indoor facility is the perfect setup for our many training opportunities and practices to ensure rapid skill improvement
- Our travel teams play in the most competitive youth leagues and best high school recruiting tournaments in the country
- Our indoor facility and home turf fields are all conveniently located in Bethesda, MD
- "Look good, play good" - and no one has fresher gear than us!

We hope to see you at our Travel Team Tryouts in August and wish you the very best for the rest of the summer.

Go Spartans!

## What's the Latest?

Our 2024 and 2022 Blue Teams made some great memories out in Colorado. 2022 Blue went 7-4 and took home the Vail B Division trophy. 2024 went 11-1, was runner up in the Vail Championship, and took home the Denver A Division trophy!

A HUGE shout-out to five members of the NL 2020 Blue team who were selected to make the Under Armour All-American 'District' team. The players selected were:

- Kevin Christmas (Georgetown Prep) - Attack
- Isaac Aronson (Bullis) - Attack
- Joey Graham (Landon) - Attack
- Doane Kiechel (Gonzaga) - Midfield
- Teddy Russell (Gonzaga) - Defense

The Next Level Girls Program is excited to announce that the travel teams will include 1st Grade & 2nd Grade (graduation years 2029 & 2028) for the 2017-18 year!

The Landon summer camps were a huge success with around 250 players registered for three sessions. This annual camp has become a favorite for players of all ages and we look forward to another phenomenal summer in 2018!

Next Level Lacrosse continues to attract phenomenal men and women as coaches to mentor and instruct our boys and girls. We are excited to welcome [Deemer Class](#) (Midfield, Duke) and [Jason Murphy](#) (Face-off, UVA) to our boys staff and Maddy Lynch (Midfield, Princeton), Erin Slifer (Midfield, Princeton), Kristin Semones (Defender, Virginia Tech), and Meg Gargulinski (Attack, Franciscan University) to our girls staff. Full coaching staffs and bios for each team will be sent out before tryouts!

**Girls Receiving some Tewaarton Foundation Love!** Sara Lapidus (2021), Laine Gorman (2021), Finley Laws (2022), Avery Burns (2023) and Livie Thomas (2026; pictured above) were nominated to attend the Tewaarton Youth Clinic this past May. They were nominated because they have great attitudes, are always present at practices and games, are receptive to their coaches and work hard outside of practice to implement new skills.  
Great job, girls!
