Congratulations to NL 2024 Blue Assistant Coach, [David Pim](#), on his recent nuptials!

For the first time, Next Level hosted early-look tryouts for older boys teams and all girls teams. The tryouts were a huge success and helped to prepare for an exciting weekend of tryouts in August. [REGISTER TODAY TO JOIN THE NEXT LEVEL FAMILY!](#)

Next Level Lacrosse summer camps set record numbers with over 400 participants. These camps continue to be popular among players from all programs. The combination of fun and development makes them unique. We hope to see you next summer!

The Next Level Lacrosse Store is going online! Coming this fall, everyone will have the ability to purchase their favorite NL apparel or lacrosse equipment by hitting a few buttons on their computers or phones. More information coming soon!

The new Next Level Lacrosse weight room is near completion! With the goal of turning the Next Level Athletic Performance Center into the "boxing gym" for lacrosse players, we are excited to add a key piece that will allow our players to become bigger, faster, and stronger #TrainLikeASpartan!

Meet the Coaches - Ben Chisolm

Q. What is your favorite memory playing lacrosse?

A. For me, my favorite memory from playing lacrosse was the 2017 National Championship. Rushing the field after the clock hit 0:00 and being able to finally grab a hold of the National Championship trophy. It was something I always dreamed about my entire life.

Q. Why did you get into coaching?

A. I got into coaching because of my love for the game of lacrosse. It gave me so much joy in life and I wanted to be able to pass that onto the next generation of players. I have had so many great coaches impact my love for this game, and I want to be a part of the reason someone else grows to love this game too.

Q. What advice do you give most to young players?

A. My advice to a young player would be to push yourself to be your best. You don't always have to be the best at a specific skill, or the best at your specific position, just go out and every time you walk on or off the field be able to say that you gave it your best.

Q. Who is your favorite athlete (any sport) ever and why?

A. My favorite athlete since I was a kid has been Ray Lewis from the Baltimore Ravens. The intensity and heart that he plays with on the field is something I always tried to emulate. And his inspiration and charity off the field has always opened my eyes to how important it is to give back, and never get too caught up in sports because there is always something bigger in life.

Tryout Prep Camps

Next Level is offering a Tryout Prep Camp for players looking to improve and polish their skills before the fall season. These sessions will emulate like elite team practices

that will focus on stick skills, groundballs, positional work, and team play in a series of intense, high-repetition drills. The camp is geared toward select and travel level players who are looking to prepare for fall team tryouts.
